

# CARER FRIENDLY POETRY COMPETITION

#showyoucare

---

Make sure unpaid carers are in your mind  
But don't let them be in the blind  
Or they will be left behind

The work they do is so hard core,  
Looking after those who need to be reassured

Equipment is hard to get,  
So they will be under threat,  
Please don't forget

The unpaid carers

**Sophia Browett**
